

NL: ScoutLike National Jamboree:

The theme of our National Jamboree is 'Scoutlike': typical Scouting and Guiding as we know it, with unexpected turns and remarkable moments. This event, which is organized once every four years, **takes place from Monday 23th of July until Thursday (departure day) 2nd of August 2012**. Scouts, guides & explorers in the **age of 11 up to 17 years** old from The Netherlands and abroad are invited to take part.

Last time some 4.000 Scouts & Guides participated, from 17 different countries. Just like the previous times the National Jamboree will be held at the beautiful estate 'Velder', near Boxtel, in the south of the Netherlands. This part of our country offers a marvellous location for lots of activities such as hiking, canoeing, artificial climbing and cycling.

Furthermore we link every foreign group to a Dutch group, so practical arrangements can be made and -if preferred-home hospitality can be organized together. The registration for the National Jamboree starts in September 2011. Groups that want to take part, can register themselves via a link on the website of Scouting Nederland.
